

## ABOUT OUR WEBSITE

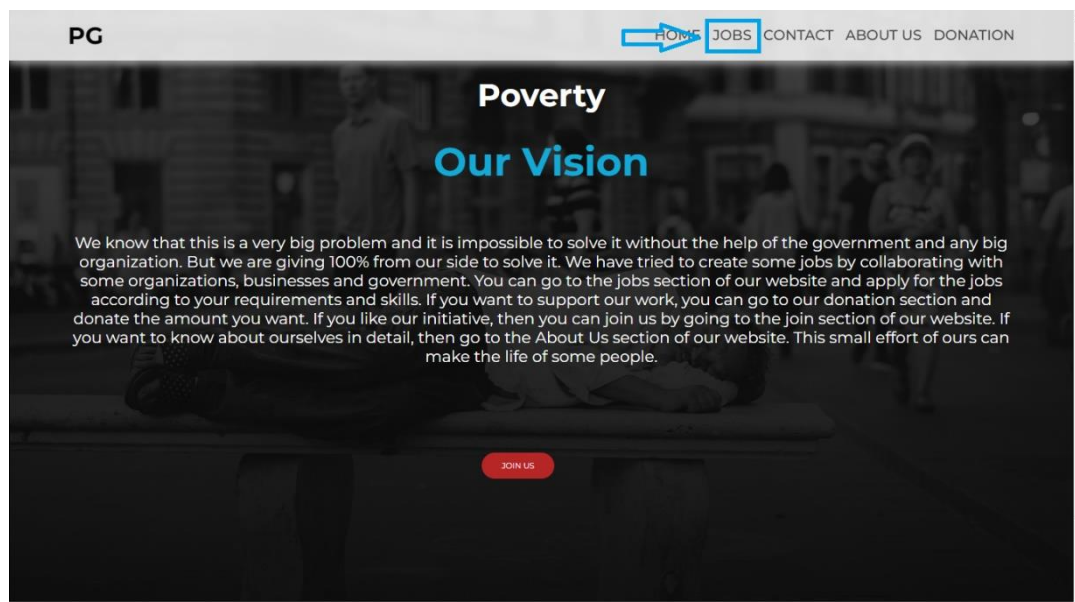

With the website, we are trying to increase awareness among people about the problem. Trying to figure out the right way to fight this problem.

❑ **Our Vision:** We know that this is a very big problem and it is impossible to solve it without the help of the government and any big organization. But we are giving 100% from our side to solve it. We have tried to create some jobs by collaborating with some organizations, businesses and government. You can go to the jobs section of our website and apply for the jobs according to your requirements and skills. If you want to support our work, you can go to our donation section and donate the amount you want. If you like our initiative, then you can join us by going to the join section of our website. If you want to know about ourselves in detail, then go to the About Us section of our website. This small effort of ours can make the life of some people.
